

DriveRight®

carchip®

Think your teen is a safe driver?

Don't wait to find out.

Use with
your PC for:

- Detailed Analysis
- Charting
- Graphing

Use again and again! Automatically rolls over oldest data, or clear all after downloading.

Help keep your teen safe—and alive!

You can't be with your teen on every trip. But CarChip can.

Plugs instantly into your car or truck. Continuously logs performance.

Behind the Wheel

- Time & Date
- Speed
- Distance
- Quick Accelerations
- Hard Brakings

Under the Hood

- Read diagnostic trouble codes.
- Clear your own check engine light.

Up to **75** hrs.
of trip details!
